1- Offering the lowest fare available.

At Sun Country Airlines, our representatives have been trained and our online website technology is programmed to quote the lowest airfare available at the time of booking for the specific dates, flights, class of service, and number of travelers requested by the shopper.

2- Notifying consumers of known delays, cancellations, and diversions.

Sun Country Airlines will provide notification to our passengers, and to the public, of any known flight delays of 30 minutes or more, cancellations, or diversions within 30 minutes after we are aware of such a change in the status of a flight. This information will be available at the boarding gate area for a flight at a U.S. airport, on the Sun Country Airlines website, and via our Flight Information phone line at 1-800-359-6786.

3- Delivering baggage on time.

Sun Country Airlines dedicates extensive time, energy, and resources in its commitment to ensure our customers' bags travel on the same flight.

- In the event a bag does not arrive on a passenger's flight, we will make every reasonable effort to locate and return the bag within twenty-four hours and reimburse passengers for reasonable expenses that result due to delay in delivery.
- In the event a bag does not arrive with the passenger, a Delayed Luggage Report must be filed with a Baggage Service agent prior to leaving the airport.
- For information on delayed or damaged baggage, please call our Central Baggage Office at the Minneapolis/St. Paul International Airport, Terminal 2- Humphrey:
612-970-3576 (Minneapolis/St. Paul Local) Monday - Sunday, 7:30 am to 12:30 am (Central Time)
- Allowing reservations to be cancelled without penalty for a defined amount of time.

Sun Country Airlines will allow a customer to cancel an airline reservation made directly with Sun Country Airlines reservations staff or on our website without penalty for up to 24 hours from the time of making the initial reservation provided the reservation is made one week or more prior to a flight's departure. Important note: this applies to regular published airfares and does not include Sun Country Vacation package bookings, group and tour bookings, land products, or any other non-air product or activity.

Sun Country Airlines follows the Department of Transportations' policy exactly as provided in its document printed below:

Compensation for Denied Boarding

If you have been denied a reserved seat on Sun Country Airlines, you are probably entitled to monetary compensation. This notice explains the airline's obligation and the passenger's rights in the case of an oversold flight, in accordance with regulations of the U.S. Department of Transportation.

Customer Service Plan

Volunteers and Boarding Priorities

If a flight is oversold (more passengers hold confirmed reservations than there are seats available), no one may be denied boarding against his or her will until airline personnel first ask for volunteers who will give up their reservation willingly, in exchange for compensation of the airline's choosing. If there are not enough volunteers, other passengers may be denied boarding involuntarily in accordance with the following boarding priority of Sun Country Airlines:

- (1) The last passenger(s) to present him/herself for check-in will be denied boarding in the event of an oversale.
- (2) Reasonable effort will be made to accommodate individuals with a disability or needing assistance, the elderly, connecting passengers, and unaccompanied children less than eighteen (18) years of age.

Compensation for Involuntary Denied Boarding

If you are denied boarding involuntarily, you are entitled to a payment of "denied boarding compensation" from the airline unless:

- (1) you have not fully complied with the airline's ticketing, check-in and reconfirmation requirements, or you are not acceptable for transportation under the airline's usual rules and practices; or
- (2) you are denied boarding because the flight is canceled; or
- (3) you are denied boarding because a smaller capacity aircraft was substituted for safety or operational reasons; or
- (4) on a flight operated with an aircraft having 60 or fewer seats, you are denied boarding due to safety-related weight/balance restrictions that limit payload; or
- (5) you are offered accommodations in a section of the aircraft other than specified in your ticket, at no extra charge (a passenger seated in a section for which a lower fare is charged must be given an appropriate refund); or
- (6) the airline is able to place you on another flight or flights that are planned to reach your next stopover or final destination within one hour of the planned arrival time of your original flight.

Amount of Denied Boarding Compensation

- (1) No compensation if the carrier offers alternate transportation that is planned to arrive at the passenger's destination or first stopover not later than one hour after the planned arrival time of the passenger's original flight;
- (2) 200% of the fare to the passenger's destination or first stopover, with a maximum of \$675, if the carrier offers alternate transportation that is planned to arrive at the passenger's destination or first stopover more than one hour but less than four hours after the planned arrival time of the passenger's original flight; and

Alternate Transportation

"Alternate transportation" is air transportation with a confirmed reservation at no additional charge (by any scheduled airline licensed by DOT), or other transportation accepted and used by the passenger in the case of denied boarding.

Customer Service Plan

Method of Payment

Except as provided below, the airline must give each passenger who qualifies for involuntary denied boarding compensation a payment by cash or check for the amount specified above, on the day and at the place the involuntary denied boarding occurs. If the airline arranges alternate transportation for the passenger's convenience that departs before the payment can be made, the payment shall be sent to the passenger within 24 hours. The air carrier may offer free or discounted transportation in place of the cash payment. In that event, the carrier must disclose all material restrictions on the use of the free or discounted transportation before the passenger decides whether to accept the transportation in lieu of cash or check payment. The passenger may insist on the cash/check payment or refuse all compensation and bring private legal action.

Passenger's Options

Acceptance of the compensation may relieve Sun Country Airlines from any further liability to the passenger caused by its failure to honor the confirmed reservation. However, the passenger may decline the payment and seek to recover damages in a court of law or in some other manner.
